

The screenshot shows a Java development environment with the following details:

- File Explorer:** Shows multiple Java files including `studentSGPACal.java`, `AutoArray.class`, and `IfSample.java`.
- Terminal:** Displays the output of the `studentSGPACal` program. The program asks for student details (Name: efg, USN: 1234, SGPA: 9.0) and then iterates through subjects 1 through 8, asking for marks and credits.
- Output:** Shows the same information as the terminal but with some lines removed.
- Right Panel:** A "Build with agent mode" panel with a note about AI responses being inaccurate and instructions to onboard AI onto the codebase.
- Bottom Bar:** Includes a search bar, system icons, and a status bar showing "Ln 71, Col 17" and "24°C Sunny".
